ART & TECHNOLOGY 2005 Gallery Without Walls

Gallery Without Walls is a sculpture show held each year at 'Reveries' and is situated among 16 acres of grey-box forest in Maiden Gully. The exhibition will be open during the month of November.

The 2005 Gallery Without Walls, will combine with artist, Yvonne George, and Possum Gully Studios to bring a Melbourne Cup Weekend sculpture show.

"*Artists in Recovery*", Deirdre Outhred and Ray Pearce of 'Reveries', source their materials from the Eaglehawk Recovery & Sales Yard.

Manager of the Yard, Peter Buck, said "Artists using recycled materials not only create a piece of artwork that will generate discussion and interest, but it will also encourage the general public to think about what they throw out and how it can be reused. The Recovery Yard is pleased to support the artists and a selection of their work is on display at the Yard, it certainly generates some interest," he said.

At 'Reveries' the sculpture exhibition can only be viewed by aeroplane, outerspace or cyberspace. The artwork exists on the dam at 'Reveries' and can be viewed at www.earth.google.com co-ordinates S 36° 45.467' E 144° 10.022'. This year's work, by A & B Anon, is titled "*Collateral Damage*".
